Special programmes: Woolmark Apparel Care, Refresh, Quick 49 min, Delicates, Baby

Woolmark Cycle: Yes, Woolmark Apparel Care

Woolmark Code: M14029

Display: Delay start, Residual time indicator, Visualisation of the selected options

Display type: LCD

Delay timer option: Up to 24 hours

Easy iron option

Option drying level

Option Time Programmes

Acoustic signal off option

End of cycle indicator

Programme progress indicator

Clean filter indicator

Condenser container full indicator

Technical Features

Type of motor: Brushless/Inverter

Functioning: Electronic control

Humidity sensor

Time drying selection: From 10 to 160 min

Drying temperature regulation

Cooling down phase

Anti-iron phase

Alternate drum rotation

Internal light

Condenser filter

Fluff filter

Drum material: Stainless steel

Drum volume: 118 litres

Transparent door

Door size: 40 cm

Max. door opening angle: 178 °

Door hinges: Right

Reversible door

Child lock (programme set lock)

Water condenser position: At the top

Amount of cooling gas in Kg.: 0,52

Heating pump system

Type of cooling gas: R134a

Condenser water drain hose

Column installation, with compatible washing-machine: With stacking kit, available as optional accessory

Optional:

KITSPXL - Stacking kit

Performance / Energy Label

Load capacity (cotton): 8 Kg

Type of dryer: Heat pump

Type: condensation

Energy efficiency class: A+++

Annual energy consumption: 176 KWh

Energy consumption of the standard cotton programme at full load: 1.42 KWh

Energy consumption of the standard cotton programme at partial load: 0.81 KWh

Power consumption of the off-mode for the standard cotton programme at full load: 0.5 W

Power consumption of the left-on mode for the standard cotton programme at full load: 1 W

Condensation efficiency class: A

Average condensation efficiency of the standard cotton programme at full load: 91 %

Average condensation efficiency of the standard cotton programme at partial load: 91 %

Average condensation efficiency of the standard cotton programme at full and partial load: 91 %

Noise level for the standard cotton programme at full load: 65 dB(A) re 1pW

Accessories not included

KITSPXL

Stacking kit available for 60 cm depth dryers.
